

The background of the cover is a soft-focus photograph of a wheat field. A single wheat stalk is in sharp focus on the left side, extending vertically. The rest of the field is blurred, creating a sense of depth. The overall color palette is various shades of green, from light to dark. In the top right and bottom left corners, there are decorative patterns of white dots of varying sizes, arranged in a grid-like fashion that fades into the background.

Green Minds Gather 2026
